

Free-standing washing machine WA2C814BKisJH

TECHNICAL DATA

Washing machine capacity: Classic 8 kg

Energy efficiency class: B

Maximum spin speed: 1400 rpm

Weighted energy consumption per 100 cycles: 55 kWh/100

Weighted water consumption based on the eco 40-60 programme: 48 l/cykl

Spin efficiency: B

Number of washing programmes: 20

Max noise level of spinning: 76 dB

Programme Eco 40-60 duration: 3:38 h:min

Airborne acoustical noise emission class (spin): B

Height: 85 cm

Width: 59,5 cm

Depth: 56,5 cm

Net weight: 68 kg
